

## *City of Vernon E-Waste Recycling Event*

The City of Vernon Health Department, along with Recycle San Diego, has scheduled another business electronics waste (e-waste) recycling event in Vernon!

For one day only, Vernon businesses will be able to drop-off most e-wastes and the City will provide for the removal and disposal for free.

When: Tuesday May 17, 2011  
From 10:00 AM until 2:00 PM

Where: Vernon Fire Station #1  
3375 Fruitland Ave.  
(Enter on driveway next to 3345 Fruitland Ave., and follow the arrows)

Items allowed: Personal computers/laptops, CRT monitors/TV's/plasma/LCD screens, keyboards, mice/trackballs, type writers, copiers/faxes, telephones/cell phones, answering machines, pagers, radios, stereos/speakers, VCR's/DVD players, remote controls, modems/servers, circuit boards, and hard drives.

(Only items listed can be accepted; no household hazardous wastes such as paint, solvents, pesticides, oils, etc., are permitted)

**In addition:** Loose alkaline batteries will be accepted at \$1.00 / pound.  
Straight fluorescent tubes will be accepted at \$.25 / foot, and compact fluorescent bulbs (household) at \$1.00 each.  
No computer cartridges will be accepted this time.

*(For questions or for businesses requiring special handling or large loads are encouraged to contact us at 323/583-8811 extension 231.)*
