Re: Notice to Terminate Contract for Legal Services, Law Offices of Eric T. Fresch

Dear Carlos:

I want to advise you that I will be ending my representation of the City's Light & Power Department, effective May 1, 2012. I believe by tendering my notice at this time it will enable you to help me wind down my participation in the various projects in which I am involved for Light & Power and provide an orderly transition to other firms. After you and I meet to review all of the matters in which I am involved, I will submit to you a total estimated budget for the remaining time of my service to the Department. Obviously the Department is free to end my services at any time if it so chooses.

The Light & Power Department has been a client of mine since my days at Mudge Rose Guthrie Alexander & Ferdon in the 1980's. It has been a great honor to serve you, your Department, the City Administrator, and the City Council Light & Power Board.

Thank you.

Sincerely,

Eric Fresch
