

SPECIAL CONDITIONS

1. Hours of Service: Area all night lighting service will be furnished from dusk to dawn, approximately 4,140 hours per year, by Utility-owned luminaires supplied from the Utility's existing 120/240 volt overhead circuits and mounted on existing Utility-owned wood poles as standard equipment.
2. Other Than Standard Equipment: Where the customer requests the installation of other than the standard equipment furnished by the Utility and such requested equipment is acceptable to the Utility, the Utility will install the requested equipment provided the customer agrees to advance the estimated difference in installation cost installed between such equipment and standard equipment. Advances made for this purpose will not be refunded. Facilities installed in connection with such agreements become and remain the sole property of the Utility. Utility will provide customer with adjusted per lamp charges and customer will pay such charges.
3. Service and Facilities Furnished: This service will be in accordance with Utility's specifications as to the equipment, installation, maintenance, and operation.
4. Replacement of Lamps: The Utility will replace lamps on a scheduled basis, and individual lamps will be replaced upon service failure, as soon as practical after notification by customer, subject to Utility's operating schedules.
5. Contract: A written contract for a term of three year will be required by the Utility when service is first established under this schedule.
6. In-Lieu of Tax and Franchise Payments: The base rates and charges have been increased by 3 percent to reflect payments in-lieu of tax and franchise payments.
7. Public Benefits Charge: A mandatory Public Benefits Charge has been assessed pursuant to Assembly Bill 1890, signed into law by the Governor on September 20, 1996. The charge is 2.85 percent of the total bill before any special fees or charges. In accordance with the mandates of Assembly Bill 995, the Public Benefits Charge of 2.85 percent will be assessed through January 1, 2012.
8. Fuel Cost Adjustment: Fuel cost adjustment charge will be assessed pursuant to Exhibit A and Exhibit B.
