RE: Agreement Regarding Expenditure of Excess Bond Proceeds [2005 Tax Allocation Bonds]

Recommendation

A. Find that adoption of the proposed resolution for approval of the Agreement Regarding Expenditure of Excess Bond Proceeds [2005 Tax Allocation Bonds] is exempt under the California Environmental Quality Act ("CEQA") because it is a government fiscal activity that will not result in any change to the environment and, therefore, is not a "project" as defined by CEQA Guidelines Section 15378. Even assuming the activity were a "project", it would be exempt from CEQA review in accordance with CEQA Guidelines Section 15061(b)(3), the general rule that CEQA only applies to projects that may have an effect on the environment; and

B. Adopt a resolution to approve an Agreement Regarding Expenditure of Excess Bond Proceeds [2005 Tax Allocation Bonds], in substantially the same form as presented herewith.

Background

Health and Safety Code Section 34191.4(c) provides that after the Successor Agency to the Redevelopment Agency has received a Finding of Completion from the state Department of Finance ("DOF"), the Successor Agency is authorized to use the bond proceeds from bonds issued on or before December 31, 2010, in a manner consistent with the original bond covenants. Further, the Successor Agency may designate the use of and commit indebtedness obligation proceeds that were derived from indebtedness issued for redevelopment purposes after January 1, 2011, and that remain available after the satisfaction of enforceable obligations that have been
approved on a Recognized Obligation Payment Schedule ("ROPS") and that are consistent with the indebtedness obligation covenants (hereafter "Excess Bond Proceeds").

The Successor Agency received its Finding of Completion from DOF on April 17, 2013.

The proposed Agreement Regarding Expenditure of Excess Bond Proceeds [2005 Tax Allocation Bonds] would authorize the Successor Agency to transfer Excess Bond Proceeds from the Redevelopment Agency’s Industrial Redevelopment Project Tax Allocation Bonds, Series 2005, dated October 4, 2005 (the “2005 Bonds”) to the City to be used in accordance with the bond covenants.

The Agreement must be approved by the Oversight Board, and is subject to review by DOF. DOF has approved similar agreements transferring bond proceeds from a Successor Agency to the City. If the Agreement is approved by the City and Successor Agency, the Successor Agency may list the Agreement as an enforceable obligation on the Recognized Obligation Payment Schedule ("ROPS").

The proposed Agreement Regarding Expenditure of Excess Bond Proceeds between the City and Successor Agency (which has been approved as to form by Special Counsel to the Successor Agency) would permit all Excess Bond Proceeds from the 2005 Bonds to be transferred from the Successor Agency to the City, which in turn must use the proceeds in accordance with the bond covenants. As of June 30, 2016, the Successor Agency had $25,685,004.74 in Excess Bond Proceeds available from the 2005 Bonds.

**Fiscal Impact**

Approval of the Agreement would allow the transfer of the remaining proceeds from the 2005 Tax Allocation Bond issuance to the City for the City to administer. These agreements have been approved by the Department of Finance for other successor agencies and their cities.

Recommendation

A. Find that adoption of the proposed resolution for approval of the Recognized Obligation Payment Schedule for 2017-2018 (July 1, 2017 through June 30, 2018) is exempt under the California Environmental Quality Act ("CEQA") because it is a government fiscal activity that will not result in any change to the environment and, therefore, is not a "project" as defined by CEQA Guidelines Section 15378. Even assuming the activity were a "project", it would be exempt from CEQA review in accordance with CEQA Guidelines Section 15061(b)(3), the general rule that CEQA only applies to projects that may have an effect on the environment; and

Fiscal Impact

The Agency is requesting $5,476,717 in Redevelopment Property Tax monies from the Department of Finance. In addition, the Agency is requesting approval of an agreement that would allow the City to administer the remaining proceeds from the 2005 Tax Allocation Bond issuance. These agreements have been approved by the Department of Finance for other successor agencies and their cities.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE
CITY OF VERNON ACTING AS THE SUCCESSOR AGENCY OF THE REDEVELOPMENT AGENCY OF THE CITY OF VERNON AS FOLLOWS:

<td>29</td>
<td>Item 29 relates to an agreement regarding the transfer of excess tax allocation bond proceeds from a 2005 issuance from the Successor Agency to the City. The dates shown in Columns D and E are the dates of the bond issuance and payoff. However, the transfer agreement was approved by the parties on January 17, 2017 and by the Oversight Board on January 19, 2017, and is subject to the approval of DOF. Therefore, the actual date of the agreement should be the date the agreement is approved by DOF, which is unknown. The agreement terminates upon the expenditure of the transferred bond proceeds, which is also unknown.</td>
