A. General Information:

1. When applying for a Variance keep in mind that approval of a variance follows the applicant. Therefore, if an occupant files a Variance and terminates their lease then the new occupant shall be required to apply for a new Variance. However, if the owner of the property applies for the same Variance a change in occupancy will not require the owner to reapply.

2. The attached material has been prepared to assist persons interested in filing for a Variance.

3. After an application is submitted to the Department of Public Works it is thoroughly checked for accuracy and completeness. An incomplete application will not be scheduled for public hearing and will be returned to the applicant.
