Worksheet for Calculation of Business License Tax
(For Businesses Conducting Warehousing And Another Business At A Single Location)

Line 1: Total Square Footage at Location
Include the square footage of all buildings (or portions of buildings) at the location as well as outdoor square footage used for storage as part of a warehousing operation. Do not include outdoor square footage used for parking of motor vehicles.

Line 2: Portion of the Square Footage Used for Warehousing
“Warehousing” means the storage of goods intended for distribution to other locations and includes refrigerated warehousing and dry warehousing. “Warehousing” does not include (i) the storage, at a location, of materials for use by a manufacturing business conducted at that location, or (ii) the storage, at a location, of products manufactured at that location. “Square Footage Used for Warehousing” includes all square footage used in warehousing operations, including the square footage of offices, break rooms and similar spaces used in warehousing operations. Where square footage (such as entryways or offices) is used for both warehousing and non-warehousing operations, such areas shall be apportioned based on the percentage use for each type of operation.

Line 3: Tax for first 5,000 sq. ft of Warehouse Space
$1,200

Line 4: Subtract 5,000 from Line 2 and multiply result by $0.21
Enter -0- if Line 2 is 5,000 square feet or less
$________________

Line 5: Add Lines 3 and 4
$________________

Line 6: If Line 5 is greater than $11,950, enter $11,950, otherwise enter amount from Line 5.
$________________
Line 7:  Average Number of Persons Employed
“Employee” includes all persons engaged in the operation or conduct of the business, including, but not limited to, owners of the business and members of an owner's family.

Line 8:  Percentage of Employee Time Related to Business
Other Than Warehousing

Line 9:  Multiply Line 7 by Line 8 (round up to whole number)

Line 10: Enter Amount Shown In Tax Table for Number of Employees Entered on Line 9

Line 11: Add Lines 6 and 10. This is your Total Tax.

Line 12: Renewal Fee
$20.00

Line 13: State Fee
$4.00

Line 14: Add Lines 11 through 13. This is your Total Amount Due.
